FACSIMILE MESSAGE

CSL 121, Page 1 of 1

To: Richard Pierce
From: Kenny Martin
Subject: Brunswick Memorandum

Date: June 13, 1988

Doug has been in touch with Mr. Jungkurth and found out that the revised Memorandum was recorded on April 18. Their deal with Champion International was recorded on May 13. Mr. Jungkurth also informed Doug that the properties under lease to Amselco were not part of the swap with Champion. These four tracts are the only tracts of land Brunswick currently owns in South Carolina. Therefore, in summation, there is nothing left for us to take care of.
